

## Vanderhoof Maintenance July 2011 – Vanderhoof, BC

Hoots Inc. bike skills park are built to withstand heavy traffic flow without a lot of maintenance. However, with that being said, the Vanderhoof Park was in need of a little love, so the Hoots Inc. crew headed out to Vanderhoof to freshen things up!

Things are looking like new at the Rip N' the North Bike Park – check it out!

The maintenance package for Vanderhoof included jump and berm shaping and re-profiling of drainage systems.
